COMPLETE PET FOOD FOR MEDIUM SIZE ADULT DOGS

Monge Natural Superpremium Medium Adult Rich in Chicken is a complete pet food for medium-size adult dogs (10-32 kg). Specially developed for your dog's wellness, through the presence of top-quality nutrients as a result of Made in Italy research. The first ingredient is chicken and the formulation is characterised by its digestibility and palatability due to the inclusion of fresh meat. The recipe is enhanced with next generation XOS (Xylo-oligosaccharides), which are prebiotics to support the intestinal wellness. The formulation also contains L-carnitine to support the ideal body weight and an optimal Omega-6/Omega-3 ratio to help maintain a shiny coat, thanks to the presence of salmon oil. No added dyes and artificial preservatives.
