Monge BWild Low Grain All Breeds Adult Dog Goose is a complete and balanced food for adult dogs. The high animal protein content from goose meat guarantees a balanced diet, following the natural instinct of your animals. The recipe is formulated with low grain\* level and it does not contain potatoes. The linseed, source of fatty acids omega-3, supports a soft and shiny coat. The delicious taste is also enhanced by fruits (like blueberry, cranberry and raspberry) and vegetables (carrots), natural sources of fibre and minerals. The recipe is enriched with XOS (Xylo-oligosaccharides), last generation of prebiotics, which keep the intestinal wellness. The specific recipe ensures the animal's well-being and respects its natural instinct. Without artificial colours and preservatives.
